

*Building Community... One Family at a Time.*

As part of our cleanup weekend on Saturday November 1, 2008, from 8:00 a.m. to 11:00 a.m., the Briar Cliff University SIFE team, in partnership with the Junior League of Sioux City and Woodbury County Solid Waste Management Agency, will be conducting a recycling and thrift drive. All donations are tax deductible and residents will be provided with a tax receipt. Specifically, they will be collecting:

Gently used clothing and shoes, household items, furniture, home decor, working (for resale) or non-working (for recycling) electronics including:

TV's

computers and accessories

cell phones

DVD/VHS players and accessories

CD players and headsets

cables and miscellaneous cords

They will also collect useable laptop computers (with original operating discs and system backups) to be sent to young college students in Tanzania.

Collection will be in front of the Rejuvenation Centre in Village Square located near Cup O' Joy. All people who bring items to the recycling drive will receive a 20% discount to the Rejuvenation Centre on any procedure.

If you need any assistance with large items such as furniture please call Briar Cliff SIFE at 251-1631 to arrange a pick-up. Thank you to Briar Cliff University and their partners for providing this service.
